Instructions for Payee

You have received this form because you have either (a) accepted payment cards for payments, or (b) received payments through a third party network in the calendar year reported on this form. Merchant acquirers and third party settlement organizations, as payment settlement entities (PSEs), must report the proceeds of payment card and third party network transactions made to you on Form 1099-K under Internal Revenue Code section 6050W. The PSE may have contracted with an electronic payment facilitator (EPF) or other third party payer to make payments to you.

If you have questions about the amounts reported on this form, contact the FILER whose information is shown in the upper left corner on the front of this form. If you do not recognize the FILER shown in the upper left corner of the form, contact the PSE whose name and phone number are shown in the lower left corner of the form above your account number.

Note: For more information on why you received your Form 1099-K, go to www.irs.gov/KnowYour1099K. For information on what to do with your Form 1099-K, go to www.irs.gov/businesses/what-to-do-with-form-1099-k.

If the Form 1099-K is related to your business, see Pub. 334 for more information. If the Form 1099-K is related to your work as part of the gig economy, go to www.irs.gov/GigEconomy.

See the separate instructions for your income tax return for using the information reported on this form.

Payee's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

Account number. May show an account number or other unique number the PSE assigned to distinguish your account.

Box 1a. Shows the aggregate gross amount of payment card/third party network transactions made to you through the PSE during the calendar year.

Note: The gross amount is the total dollar amount of total reportable payment transactions without regard to any adjustments for credits, cash equivalents, discount amounts, fees, refunded amounts, shipping amounts, or any other amounts. The dollar amount of each transaction is determined on the date of the transaction.

Box 1b. Shows the aggregate gross amount of all reportable payment transactions made to you through the PSE during the calendar year where the card was not present at the time of the transaction or the card number was keyed into the terminal. Typically, this relates to online sales, phone sales, or catalogue sales. If the box for third party network is checked, or if these are third party network transactions, Card Not Present transactions will not be reported.

Box 2. Shows the merchant category code used for payment card/third party network transactions (if available) reported on this form.

Box 3. Shows the number of payment transactions (not including refund transactions) processed through the payment card/third party network.

Box 4. Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your TIN or you did not furnish the correct TIN to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, and Pub. 505. Include this amount on your income tax return as tax withheld.

Boxes 5a–5l. Show the gross amount of payment card/third party network transactions made to you for each month of the calendar year.

Boxes 6–8. Show state and local income tax withheld from the payments.
